RESERVATIONS AND TICKETS

You may make your reservation for any flight through your travel agent or by contacting any of our offices. You should plan to purchase your ticket 24 hours in advance of departure time. If you must purchase your ticket immediately before your flight, you must arrive at our ticket counter at least 45 minutes before flight time or your reservations will be cancelled. If you have purchased your ticket ahead of time, you should be at the airport 30 minutes before flight time. Reservations for ticketed passengers will be held until 15 minutes before scheduled flight time. If you have not presented your ticket at the boarding gate by this time, your reservations may be cancelled and made available to someone else. Should you find you are not going to use your reservations, please notify any of our offices as soon as possible so that we may make your space available to someone else.

BAGGAGE

All domestic passengers are allowed the following amount of baggage: 1 bag, not to exceed 62 dimensional inches; and 1 bag, not to exceed 55 dimensional inches (dimensional inches equals length plus width plus height.) All international passengers are allowed 40 pounds of luggage. A modest charge will be made for any luggage in excess of these limits and such excess baggage will be carried on the first flight with space available. In cases where the next flight with space available is not the same flight the passenger is traveling on, it will be the passenger's responsibility to pick up such luggage at the airport when it arrives.

Liability for baggage is limited to the actual value of the baggage, or $100 per piece and $250 per passenger (whichever is less.)
